

RESISTING RACISM ~ CELEBRATING ONENESS

**Praise to You, God of the Universe!
Generously, You created all people in your image and likeness.**

**Together with many other species,
we delight to express
your beauty and wisdom.**

**Graciously, your Spirit energizes all of us to enjoy life in You,
living together in harmony,
while uniquely contributing to the common good.**

**Forgive our bigotry, narrowness and violence.
Help us hear voices raised in pained protest –
with hope of transformation.**

**Awaken us to see You in peoples of all races and cultures,
and to honour rich diversity enlivening the church,
and our entire Earth community.**

**We pray in the name of Jesus,
who is One with all creation. Amen.**
